

*This day-long youth summit will involve tours, workshops and expert guests from the energy industry. Join us as we learn about the technologies and innovations that will help Alberta in the transition towards net zero!*

## **Edmonton Regional Generate**

Wednesday April 27th, 2022

Edmonton, Alberta

**9:00 AM Program Start**

**Bus to Venue #1**

**9:30 AM - 10:00 AM**

### **Welcome & Introduction to Alberta's Energy Transition**

Meet the Inside Education team as well as your fellow students, and gear up for a great day of learning! Start dipping your toes into the world of energy innovations through an engaging presentation about Alberta's energy transition.

**10:00 - 10:30 AM**

**Tour**

Embark on a tour of an innovative energy project and learn about the research and design that goes into implementing emerging energy technologies.

**10:30 - 11:00 AM**

**Bus to Edmonton Convention Center**

**11:00 AM - 12:00 PM**

**Hydrogen 101**

Arrive at the Canadian Hydrogen Convention and receive a Hydrogen 101 presentation from the Energy Transition Accelerator.

**12:00 - 1:00 PM**

**Lunch**

*(+ free time to explore Canadian Hydrogen Convention)*

**1:00 - 2:00 PM**

Tour the exhibition hall at the Canadian Hydrogen Convention. Speak to industry professionals, check out hydrogen fuel cell cars, and continue learning about how hydrogen fits into Alberta's pathway to net zero.

**2:00-2:30 PM**

**Wrap Up & Next Steps**

Debrief your learnings from the day and learn about how you can take action to reduce greenhouse gas emissions and become involved in Alberta's energy future.

**2:30 - 3:00 PM**

**Bus to School**

**Program End**

**Wednesday January 27th, 2022 @ 3:00 PM**

*\*Please note this is a draft schedule that is subject to change.*
