

# 2026 PROGRAM GUIDE

## THURSDAY | APRIL 16

### TRAVEL TO CANMORE

### TEAM REGISTRATION AND CHECK-IN

Check in with Inside Education staff, receive your Welcome Package and let us know you've arrived safely! Take some time to drop off your bags, find yourselves some dinner, and settle in before the evening's festivities.

### REGENERATE KICKOFF AND MIXER

Get to know the 20 Regenerate teams from across Alberta through a fun and casual mixer led by Inside Education. Snacks will be provided!

## FRIDAY | APRIL 17

### BREAKFAST

### INTRODUCTION & TREATY WELCOME

Welcome to Regenerate 2026! Inside Education will set the stage for the Regenerate with an interactive overview of forests and wildlife to introduce the topics and themes that we will hear about over the course of the program.

### BOREAL FOREST 101 KEYNOTE

An overview of the major challenges and issues facing the management of Alberta's forests.

### BREAKOUT WORKSHOPS 1 & 2

Breakout Workshops will be hosted by a diverse array of expert guests that will deliver hands-on sessions on topics related to wildfire, climate change, species at risk, wildlife management, forest planning, technology and innovation, environmental communication, and much more!

### LUNCH

### OFF-SITE TOURS

Experience firsthand the science, technology, and issues relevant to today's forestry landscape in Alberta with interactive tours in the Canmore area.

### BREAK

### CELEBRATION GALA & KEYNOTE ADDRESS

Get dressed up for a semi-formal gala dinner where we will celebrate our delegates and hear a keynote from ASAPScience.

## SATURDAY | APRIL 18

### BREAKFAST

### BREAKOUT WORKSHOPS 3 & 4

Breakout Workshops will be hosted by a diverse array of expert guests that will deliver hands-on sessions on topics related to wildfire, climate change, species at risk, wildlife management, forest planning, technology and innovation, environmental communication, and much more!

### CAREER ROUNDTABLES

Experience the diversity of forestry and environmental careers with this speed dating-style session

### LUNCH

### PROJECT PLANNING & NETWORKING

Spend time refining your team's Environmental Action Project and connecting with teams from schools across Alberta

### BREAKOUT WORKSHOPS 5 & 6

Breakout Workshops will be hosted by a diverse array of expert guests that will deliver hands-on sessions on topics related to wildfire, climate change, species at risk, wildlife management, forest planning, technology and innovation, environmental communication, and much more!

### BREAK

### SOCIAL EVENING

Let loose with your fellow delegates during this evening of dinner, dancing, fun and games!

## SUNDAY | APRIL 19

### BREAKFAST

### YOUTH PROJECT PANEL

Hear from other Alberta youth who are making a difference in their schools and communities

### FINAL PROJECT PLANNING SESSION

Time to synthesize everything you've learned and your newfound network to plan the next steps for your Environmental Action Project

### INSIDE EDUCATION WRAP-UP & GOODBYES
