

2025 PROGRAM GUIDE

THURSDAY | NOVEMBER 6

5:00 - 7:00 pm	REGISTRATION Check in with the Inside Education team, let us know you've arrived safely and pick up your welcome package.
7:00 - 9:00 pm	CULTIVATE MIXER With tasty appetizers and a laid-back atmosphere, this is your chance to meet other student teams and start building connections that will carry through the summit. Light team-building activities and easy conversation will help break the ice, spark new friendships, and get your team grounded for the days ahead.

FRIDAY | NOVEMBER 7

7:00 - 8:00 am	BREAKFAST
8:00 - 9:15 am	WELCOME TO THE SUMMIT: KICKOFF AND KEYNOTE Let's get this summit started! Join us for an energizing welcome as we launch into an unforgettable journey into sustainable agriculture. Then, prepare to have your perspective flipped by a captivating keynote speaker who will challenge what you think you know about food, farming, and the future. Opening Address: Honourable Jason Hale, Deputy Minister of Agriculture and Irrigation Speaker: Dana Gibson, Alberta Innovates
9:15 - 9:45 am	GROW PROJECT KICKOFF Throughout the summit, teams will get to dream big and design an exciting project using the provided GROW Guide to help along the way.
9:45 - 10:00 am	NUTRITION BREAK
10:00 am - 12:00 pm	THE CONSCIOUS CONSUMER CAFE From 'free-range' to 'hormone-free,' marketing influences how we shop and eat. In this session, we'll hear from three speakers on livestock, land use, and plant science in an effort to tackle some of the myths and misconceptions in agriculture. Experts from across the sector will then sit down with students to talk about messaging, big questions, and connecting to the community, and how their experiences can help your project GROW. Over 15 expert guests, including: Dr. Semeton Amosu, Olds College & Dr. Ed Pajor, University of Calgary, and more!
12:00 - 1:00 pm	LUNCH
1:00 - 4:30 pm	INNOVATIONS IN AGRICULTURE AT FARMFAIR INTERNATIONAL Get the VIP treatment at Farmfair International—one of Canada's premier agriculture and livestock events. The afternoon will include an up-close look at cutting-edge innovations in AGTECH and Innovation Alley, a walk through the high-stakes world of competitive cattle showing, and a behind-the-scenes tour of the Climate Smart-certified Edmonton EXPO Centre, featuring its state-of-the-art biodigester that transforms food waste into energy.
4:30 - 6:00 pm	BREAK
6:00 - 9:00 pm	DINNER AND DOCUMENTARIES: EXPLORING AGRICULTURE THROUGH FILM An evening of food, film, and inspiration! This session features a screening of short documentaries offering fresh perspectives on agriculture and food systems. Hear directly from the filmmakers about their creative process and why they use storytelling to spark conversations about agriculture.

SATURDAY | NOVEMBER 8

7:00 - 8:00 am	BREAKFAST
8:00 - 10:00 am	CLIMATE CHANGE CHALLENGES Climate change is reshaping the way we grow food, and agriculture is both impacted by and responding to these changes. In this session, you'll learn about some of the toughest climate-related challenges in the ag industry. Speakers: Boyd Mori, University of Alberta; Cheryl Boguski, Nutrients for Life; Reem Ghaleb, Calgary Stampede/Journey 2050; Margo Redelbeck, Alberta Irrigation Districts Association
10:00 - 10:15 am	NUTRITION BREAK
10:15 - 11:15 am	TRADITIONAL KNOWLEDGE IN AGRICULTURE Many regenerative practices—like cover cropping and soil restoration—align with Indigenous principles of stewardship and respect for the land. We'll sit with community members and explore the intersection of Indigenous and Traditional Ecological Knowledge with conventional agriculture practices. Speakers: Tawnya Plain Eagle, Charlie Russell, Tyson Blackwater
11:15 am - 12:00 pm	HOME ON THE RANGE: ROTATIONAL GRAZING WIDE GAME Play the role of a large grazer on the landscape and see where nutrients get left on the landscape. Speaker: Tatyana Irodenko, Central Alberta Forage and Livestock Association
12:00 - 1:00 pm	LUNCH
1:00 - 5:00 pm	BOOTS ON THE GROUND TOURS Embark on a tour of local agriculture projects to see how sustainable agriculture is taking shape in the Capital Region.
5:00 - 6:00 pm	BREAK
6:00 - 9:00 pm	SOCIAL EVENING Let loose with fellow participants with an evening of dinner, dancing, and games.

SUNDAY | NOVEMBER 9

7:00 - 8:00 am	BREAKFAST
8:00 - 10:00 am	YOUTH ARE THE FUTURE OF AGRICULTURE Whether through hands-on farming projects, new technologies, or advocacy for sustainable practices, these youth are proving that age is no barrier to making a difference. Get ready to be inspired by these agricultural change-makers!
10:00 - 10:30 am	NUTRITION BREAK
10:00 am - 12:00 pm	PROJECT PLANNING PARTY We'll help you take what you've learned over the weekend and bring it back to your school and community through the GROW project. Whether it's starting a garden, launching a sustainability initiative, or educating others, your team will be empowered to create lasting change in your local area.
12:00 pm	TEAMS TRAVEL HOME

THAT'S A WRAP!
