

The Huestis Demonstration Forest is located 13km northwest of Whitecourt on Highway 32. There is signage along the highway and at the entrance, but it is sometimes difficult to spot. If you've reached Carson-Pegasus Provincial Park you have gone too far.

Inside Education Staff will be waiting in a marked car, at the entrance to the Demonstration Forest, just off of Hwy #32, [**The bus and follow vehicle will park in the bus loop just inside the entrance to the site.]
